

Dear friends and family members,

As most of you know, I have been an active member of the Florence Lions Club for over 44 years. And, for most of these years, I have served as the Eyesight Chairman of my club and the Region 1 Eyesight Program. This position gives me the opportunity to work closely with the indigent people and on behalf of the Lions Club, arrange for the needy individuals receive eye examination, eye glasses, visual aids and eye surgeries. Because of the extreme cost, most clubs do not have sufficient funds to pay for the surgeries. In 1985 the Lions of Kentucky started a fund called "Patrons Fund" to pay for the eye surgeries of those who have no insurance or other sources or means of paying for the needed surgery.

Unfortunately, in the last couple of years, because of many people out of work and without insurance, the number of requests for help has grown and we are now totally out of funds. Currently we have 40 people on the waiting list and the numbers are growing. These are severe cases that without surgery the applicants could and would lose their eyesight.

To raise the needed funds and pay for these badly needed eye surgeries, the Lions of Kentucky have started a raffle that hopefully would generate \$70,000.00. Only one thousand \$100.00 tickets will be sold. If we sell all tickets, the top prize would be \$20,000.00 with a second prize of \$4,000.00 and 15 other prizes of \$600.00 and \$100.00 each.

If you have not bought a ticket and wish to make a purchase or know someone who might be interested in taking a chance on winning \$20,000.00 and in the process save someone from going blind, please e-mail me at: [kew.taybi2@gmail.com](mailto:kew.taybi2@gmail.com) or call me at (859) 371-9353. A copy of the ticket with all details is shown below. I thank you in advance for considering to purchase a ticket and/or promote this sight-saving endeavor.

Gratefully yours,

Kew Taybi
